

DRYWIBE WHITEBOARDS

presentation

EXTENDED RANGE

EF LIGHT OAK FRAME
120 X 90CM

Eco-Friendly Whiteboard

This extended range of EF whiteboards has all the look and quality of standard whiteboards, but is constructed from a large proportion of recycled materials.

EF range offers environmentally kind products at an economical price.

- Contoured frame in a choice of three attractive finishes Light Oak, Aluminium effect, and Blue.
- 90 x 60cm boards have a 28mm frame, while the 3 larger sizes have a heavy duty 45mm frame.
- Quality laminate drywipe surface.
- Supplied complete with fixing kit.

See matching EF noticeboards on page 98
