Merchandising

Merchandising is available designed to accommodate the wide variety of sizes in the Nielsen readymade programme. Shown here is the Modula 60 in “right hand” format.

Specials

We manufacture specials and own brand readymades to suit customer needs. These can be special sizes and styles and can include mounts, images and plastic or non-reflective facing.

If you would like to discuss your special requirements please contact our sales office [01933 411159](tel:01933411159).

Specials can start from quantities of 25 frames depending on the frame specifications.

Undercover Professional Display Frames

Undercover frames are designed for use where information displays or imagery need to be changed regularly. Undercover frames are used in many retail, banking, hotel and commercial locations. The front of the frame can be removed for fast and simple change of the contents inside. Undercover frames can also be fitted with a 'security' option to restrict access.

Undercover frames are available in a wide variety of popular sizes and colours and a separate brochure is available for this product range.
