What does your company do and what will your stand be used for?

What do you want/expect to achieve by attending an exhibition?

How many shows are you planning attend over the next 12 months?

What is your current stand like? What are you disappointed with? What are you pleased with?

Other comments:

What is your proposed budget?

Have you seen any other stands or installations that have impressed you?

What image should your stand portray?

Please sketch here any design ideas you have for your stand layout:
